North region and districts remain the same, with Janet Karner serving as the new program specialist.

South and Southeast region changes:

The current South District 5 will become Southeast District 1.

The current Southeast District 1 will become South District 5.

Holly Hanan will continue to be the Southeast program specialist.

Joann Carter will serve as the South program specialist.

Program Folders and Spring Reports

Please remember to add information to your folders on CTyou.org. This will make your evaluation year much easier for you, the teacher who follows you if you go elsewhere, and for your program specialist. Your state FACS team believes this is important, so we will not be collecting Spring Reports this year in order to allow you more time to put information into CTyou. Spring Reports will return in 2018.
