

Lesson Plan Title

Buttons and Bunny's

Subject area:

FACS I – Unit 3 Understanding Basic Sewing Techniques

Align to NASAFACS Standards:

16.4.1

16.4.5

Objectives:

1. Pin a basic simple pattern to fabric and cut out the design.
2. Thread needle and tie knot.
3. Sew on Different types of buttons. (2-hole, 4-hole, and shank)
4. Sew basic hand stitching - running stitch, back stitch, or overcast stitch.
5. Complete the project - Stuff small bunny pillow with fiberfill and stitch opening closed.

Materials needed:

Pattern (bunny)	Needle
Fabric or felt	Variety of buttons – 2-hole, 4-hole, shank
Pins	Pom-pom for bunny tail
Scissors	Fiberfill
Thread and/or yarn	if desired – fabric markers for face design

Lesson Summary/Outline

1. Pin the pattern on the fabric.
2. Cut out pattern.
3. Thread a need.
4. Sew on Button eyes. (may use a button for the tail also)
5. Hand stitch around the outside edge.
6. Stuff with fiberfill and complete the outside edge.
7. Add a pom-pom for the tail and yarn/ribbon for a bow.

Motivator/Opening:

Bellwork: Write a paragraph describing your family Raster traditions.

Encourage/allow students to discuss Easter traditions. Hand out Easter "treats/snacks" as students share.

Activities:

Discuss Easter traditions.

Cut-out and make a stuffed Bunny with button eyes and button or pom-pom tail.

Assignment:

Research and compare Easter Traditions in multiple cultures.

Evaluation:

Complete bunny – buttons, sewing, and stuffing correctly.

Research paper- one page completed and typed.

Notes:

This lesson plan could be adapted to any holiday or occasion by changing the pattern to a different animal.
