

**Lesson Plan Title:**

**Subject area:**

**Recommended course (s):**

**Aligned to NASAFACS Standards:**

4.2 Analyze developmentally appropriate practices to plan for early childhood, education, and services

4.3 Demonstrate integration of curriculum and instruction to meet children's developmental needs and interest

**Objectives:**

1. Identify ways to enhance children's play activities
2. Identify benefits of singing songs and playing games with young children
3. Identify characteristics of appropriate toys and stories

**Materials needed:**

FACS I Curriculum  
Smartboard  
Children's toys for discussion and demonstration

**Resources:**

CIMC curriculum  
Walmart  
Pinterest

**Lesson Summary/Outline:**

Age Appropriate Activities and Toys

**Motivator/Opening:**

Opener bell ringer: Write about your favorite toy or activity as a child. Why do you think you enjoyed it so much?

**Activities:**

Discussion of bell ringer. Why it is so important to have age appropriate toys and activities.

Discussion of objectives.

Students work in groups.

**Assignments:**

Have students develop activities for young children, identify and discuss songs and games appropriate for various age groups.

Bring in a variety of different toys: why it is good for children, toys that are not appropriate and why.

**Evaluation:**

Evaluate toy

CIMC Test
