

Unit Two - Law and Order

Medical Law - Mock Trial

- Obtain a malpractice case study. Divide the class into groups to have a mock trial or debate.
 - Plaintiff, attorneys
 - Defendant, attorneys
 - Jury??

- Each student will write up a one page summary of the case, their personal determination of the outcome, and their role in the mock trial and what they learned.

- Each student will research a current medical case in the news. Write a one page summary of the case including their opinion of the outcome.
