

HEALTH EDUCATION

- Purpose:** To encourage Health Science students to work as a team to plan and teach health-related concepts.
- Description of Event:** This event involves a team of 2-4 members who select a health-related concept or instructional objective, then prepare a lesson, provide instruction, and evaluate results. The instruction must include the use of presentation tools such as a student-made video, computer demonstration software, slides, overhead transparencies, or any other form of media. Teams will provide instruction to a selected group of learners, and will have their instruction videotaped. For the competitive event, one set of judges will evaluate the videotape, and another set will judge the documentation notebook and an interview with team members.
- Dress Code:** Competitors must be in official HOSA uniform or in proper business attire. Bonus points will be awarded for proper dress. All team members must be properly dressed to receive bonus points.
- Rules and Procedures**
1. Competitors in this event must be active members of HOSA in good standing in the category in which they are registered to compete (Secondary or Postsecondary/Collegiate).
 2. Team numbers and order of competition will be pre-assigned on a random basis.
 3. The specific topic and goal of instruction will be the decision of the team and may not be repeated from previous years. The topic must be health-related. The instructional plan and development of related media tools must be the original work of team members.
 4. The team will determine a target audience for their lesson. The content and delivery of the lesson must be appropriate to the audience.
 5. The team will develop goals and objectives for the lesson, and a detailed lesson plan. The team will also develop an appropriate method of evaluating instruction.
 6. **NOTEBOOK:** Documentation of the lesson will be kept in an official HOSA 3-ring notebook from Awards Unlimited. Each page will be counted, and 2-sided pages will be counted as 2 pages. Pockets with multiple pages are not allowed. Page protectors and dividers are permitted but lamination is not permitted. The notebook will contain the following sections:
 - A. **Title Page** – Title of lesson, team members, chapter, school address and state. One page only.
 - B. **Lesson Plan** – This section contains a maximum of 3 pages describing the goal and plan for instruction.
 - C. **Backup/Supportive Information** – A maximum of 10 pages of data and information about the selected topic.
 - D. **Written Presentation Materials** – A maximum of 20 pages of written materials related to or used in the lesson. These materials may include, but are not limited to, lesson handouts, scripts, worksheets, and multimedia printouts.
 - E. **Feedback Tools** – A maximum of 10 pages of lesson evaluation tools or feedback. These materials may include tests, written evaluations, surveys, or any other written feedback used to evaluate audience learning.
 - F. **(HOSA's Copy Only) Videotape/Notebook Release Form** – One page with original signatures, attached as the last page of HOSA's plain-paper copy of the notebook.

7. Competitors will bring a plain-paper **copy** of the notebook contents and a standard-size VHS videotape to be kept by National HOSA to the event orientation.
 - A. HOSA's copy of the notebook should be a photocopy on white 8 ½ x 11" paper that is stapled on the top left corner. It should NOT be hole-punched, placed in page protectors, or included in a notebook. This plain paper copy is for National HOSA's use.
 - B. A release form will be signed by the competitors for publication purposes and attached to HOSA's copy of the notebook. The release form must be stapled to the last page of HOSA's copy of the notebook and must include original signatures.
 - C. HOSA's copy of the videotape and notebook must be turned in during the event orientation.
 - D. Teams will keep the original video and do NOT need to bring it to the conference. This video is for the chapter to keep. HOSA will collect ONE VIDEO at the orientation for judging and will NOT return that video to the team.
 - E. The original notebook will be used during judging and will be returned to the team after the competition.

8. The maximum length of the lesson (instruction) will be forty (40) minutes. There is no limit to the number of times the lesson can be presented, however, only one of the presentations must be videotaped in standard-sized VHS format for this event. The videotape must run from the start of the lesson to the conclusion. The tape must run the entire length of the presentation with no stopping and restarting. The tape must include the natural sounds of the presentation and audience, and may not be enhanced or edited in any way. The tape should show the team members and the audience.

9. Videotapes and notebooks will be labeled with the name of the school, lesson topic, and team members. Videotapes must be queued to the beginning of the instructional presentation and will be collected during the event orientation. Notebooks will be retained after the interview for judging (5 minutes) and then will be returned to the team.

10. The competition will involve two groups of judges:

A.	Review of lesson videotape	15-20 minutes	Group A Judges
B.	Explanation of project and process	} 15 minutes	Group B Judges
C.	Notebook		

11. The videotape will be reviewed by the Group A judges. Group A judges will view the beginning of the tape, then fast-forward through the presentation, randomly stopping to watch portions of the presentation and evaluating the tape based on the rating sheet criteria. Judges will rate independently, and multiple TV-VCRs may be used.

12. Teams will bring ONLY their original notebook to their interview with the Group B judges at the appointed time. (Props, costumes and other items are not permitted.) They will be allowed a maximum of five (5) minutes to explain their project. They may use the contents of their notebook as they explain the project and process. An additional five (5) minutes will be allowed for the judges to ask questions of team members. All team members must participate in both the explanation and questioning phase.

Explanation of Project and Process (5 minutes)

- Team members will explain the goal of their instructional topic, instructional planning process, and, why they did what they did.
- Team members will share the value of their lesson/topic to the chosen audience.
- Team members will explain the role that each team member played in the preparation and delivery of the lesson.
- Team members will talk about the techniques they used to determine the effectiveness/impact of their instruction.

Judge Questions (5 minutes)

- Team members will answer the judges' questions about their topic and presentation.

Notebook Evaluation/Scoring (5 minutes)

- Competitors will be excused, and the judges will complete the rating sheet for the interview and notebook.

13. During the team interview, the timekeeper will call time after each 5-minute segment.
14. In the event of a tie, a tiebreaker will be determined by the areas on the Interview/Notebook rating sheet section(s) with the highest point value in descending order.
15. Competitors must be familiar with and adhere to the **“General Rules and Regulations of the National HOSA Competitive Events Program.”**
