

Teaching Personal Financial Literacy?

Be aware of these changes! Beginning this school year the class is to include:

- Managing a bank account (it was balancing a checkbook)
- Understanding the Free Application for Federal Student Aid (FAFSA), loans and borrowing money, including predatory lending and payday loans (was added)

Beginning with the 2020-2021 school year, all teachers who are assigned the responsibility for teaching personal financial literacy shall complete ongoing professional development training in the areas of personal financial literacy instruction in accordance with guidelines established by the State Department of Education.
