## New State Officer Balloting Procedure

Change...it's inevitable! If we continue using the current FCCLA balloting and voting procedures with our newly restructured regions, we reduce the number of students eligible to serve as FCCLA State Officers. As a result, we will adopt a modified national officer election process as our model. The general interview committee will ensure representation from across the state.

### **Before convention:**

Choose your voting delegates.

Ensure voting delegates have official dress.

Review candidate videos and qualifications at [okfccla.org](http://okfccla.org) after March 1, 2017.

Determine for whom your chapter will vote.

Determine how to vote on bylaw changes posted at [okfccla.org](http://okfccla.org) after March 1, 2017.

### **The ballot positions will be as follows:**

President – 2 candidates. The candidate receiving the most votes becomes president and the other candidate becomes first vice president.

National Officer Candidates – 3 candidates, two will be elected.

Occupational Candidates – 2 candidates, one will be elected.

Postsecondary Candidates – 2 candidates, one will be elected.

At-Large Candidates – 10 candidates, 5 will be elected.

As you can see, each chapter votes for all positions, making it even more important that every chapter cast an informed vote!
