Affiliation Tips & Tricks

Affiliation is now open on the national website! Oklahoma's first affiliation date is October 10th. Here are a few tips and tricks seasoned advisers use:

- 1) To get a separate invoice for the adviser dues only, click the submit button without checking the boxes next to the student names.
- 2) If using 412 funds for affiliation, select 12 students to affiliate. Submit the other students later.
- 3) Complete all red button tasks before you submit students for affiliation.
- 4) Graduate students first and then roll remaining students forward. This keeps you from inputting new grade levels for each member.

5) Use the Step-by-step instructions found at this link:
