## **FCS Teachers win the prize!**

Ok, well, there isn't really a prize, but OK FCS teachers did a terrific job of getting Salary and Teaching Schedules submitted this year. As of October 8, we only had 14 out. I'm headed to a Manager Meeting and won't be called out as the division with the most outstanding S&TSs! Massive hugs, my friends!

## **Can you join us for the Basic ctYou Classroom Development Workshop?**

Gather all the CTE teachers from your district and head to ODCTE in Stillwater! On November 6, 8, 13, 15 or 29 from 8:30 a.m. to 2:30 p.m. the Basic class is being offered. This class is for teachers that are new to the use of [ctyou.org](http://ctyou.org) as classroom delivery of curriculum. The class is also open to anyone with more advanced skills that would be willing to become a trainer for the Basic ctYou Classroom Development class. Your registration will pay for a light lunch and light snacks.

## **CESI Changes**

By October 31, please have all the students taught thus far entered into CESI. Veteran teachers – you can no longer submit a few students and be off the delinquent list with the new system.

## **Supplemental Curriculum for Careers Units**

OSU Cooperative Extension educators have created a couple of videos on “Interview Do’s and Don’ts” and “Dressing for a Job Interview”, each approximately 15 minutes in length. These would be great supplemental information to a careers unit, as a substitute lesson or for a shortened class period. If you choose to show these videos, there is an evaluation tool that needs to be completed before and after showing the videos (pre/posttest).
