Dear Dan:

The past few weeks have been quite a rollercoaster. The entire State of Texas saw below freezing temperatures, resulting in school closing and reevaluation of our lesson plans for those days that will not be made up. I hope everyone enjoyed this past week with above average temperatures allowing us to stop bundling up in the mornings.

Many deadlines are approaching soon for various TBTEA related activities. I will highlight all of the upcoming deadlines here. However, please refer to that specific area for more detailed information.

There will be two \$800 secondary scholarships, one \$800 post-secondary, and one \$800 professional scholarship awarded for 2010-2011. All information is now online at <http://www.tbtea.org>. Please encourage your students and your TBTEA peers pursuing a graduate degree to apply.

GOVERNMENTAL RELATIONS/LEGISLATION

The TBTEA Legislative Committee and Board has developed the 2011 Legislative Agenda and Supporting Information below.

TBTEA's CTE and Educational Targets for the current Legislative Biennium.

Our major concern is that the Texas Association of Business has identified Community Colleges as a source for cutting funding as they would be forced to compete with 4 year universities for some of the state funding. This would mean our Secondary members could lose some of the funding for Tech Prep programs. We (Lewisville ISD CTE) have identified the Tech Prep program as a vital part of recruiting students into our programs. Those districts that eliminated the Technology requirement for graduation need this marketing tool. Also, in this economy, parents and students need an inexpensive way to earn college credit.

Additionally, we want to protect our CTE electives by keeping graduation requirements as they stand. Business and Technology departments have been hit hard in districts that didn't keep the technology requirement for graduation. We cannot allow other electives to earn a required status.

TBTEA adopts CTAT advocacy agenda to support all CTE Curriculums.

The 2011 CTAT Legislative Agenda calls for the State of Texas to:

1. Ensure adequate funding levels to provide high-quality career and technical education programs.
2. Ensure student access to dual credit programs at the high school level through adequate funding.
3. Alleviate negative financial repercussions for students beginning college course work in high school.
4. Maintain flexibility in state graduation requirements for students to pursue courses based on their education and career interests.

We believe that all associations representing CTE will benefit their respective members and students by sharing these goals and providing support for advocacy efforts.

The TBTEA wants to make sure that our members' educational priorities are heard by the Texas Legislature. We believe that advocacy of the legislative agenda will provide a positive benefit for our members.

Our goal this year is to also involve business leaders from our communities to help us target areas that our students should receive training that will best benefit businesses in Texas in the future. We will be creating a Business Advisory Council to advise the TBTEA Board of Directors. If you know of any business leader based in Texas that would be a great asset to the Board, please contact [Dan Bluer](#), Legislative Chair.

NBEA

National Business Education Association is the national organization representing our curriculum at the United States Government level. Are you interested in joining NBEA, but need more information? Contact [Violet Snell](#), TBTEA's National Representative, for assistance.
