NBEA AWARDS

The nomination forms for the NBEA Awards that will be presented at the annual NBEA national convention April 19-23, 2011 are now available online at <http://www.nbea.org/newsite/opportunities/index.html>. Our goal is to have at least one nominee from every state in each category for the Selection Committee to consider when choosing the winner. Whether or not we will reach that goal will ultimately be up to you and your business education colleagues.

The Awards Program was established to inspire, promote, honor, and reward outstanding achievement in and contributions to the profession. Through the program, we recognize outstanding service to business education each year. Last year we added a sixth award category-Middle School Teacher of the Year. Please continue to promote this recognition opportunity for outstanding business teachers at the middle school and junior high level.

We urge you to take advantage of this unique opportunity to recognize your state's outstanding NBEA members by nominating someone in each Award category:

- I. Secondary Teacher of the Year Award for Outstanding Contributions to Business Education by a Secondary Business Teacher
- II. Postsecondary Teacher of the Year Award for Outstanding Contributions to Business Education by a Postsecondary Business Teacher
(Other Than a Senior College or University)
- III. Collegiate Teacher of the Year Award for Outstanding Contributions to Business Education by a Senior College or University Business Teacher
- IV. Distinguished Service Award for Outstanding Contributions to Business Education by an Administrator or Supervisor of Business Education
- V. Distinguished Service Award for Outstanding Contributions to Business Education by an Institution, Organization, Business Firm, Government Agency, or an Individual Associated with Any of These Groups
- VI. Middle School Teacher of the Year Award for Outstanding Contributions to Business Education by a Middle School Business Teacher

The Awards will be presented during the annual Awards Luncheon at the NBEA Convention, and the winners will receive a custom-designed plaque and a one-year professional membership in NBEA. The winners are then featured in the October issue of the Business Education Forum.

Each nominee is required to submit seven copies on the paper color identified in point number three

of the guidelines. If you have any questions regarding the procedures or need additional information, please contact NBEA Headquarters.

AWARDS

Michelle Kirkland will serve as chair of this committee this year. Deadlines and forms will be available soon for you to nominate deserving professionals. Please take a moment to recognize individuals who make the educational experience better for everyone.
