Oklahoma ICAP Report Definitions

FIELD/TERM	DESCRIPTION
Graduation Year	Graduation year of the student listed. This is either entered by the student or provided via Clever integration.
Assessments	This measure is the combined total of two components: 1. Total career assessments completed by the student in the current academic year 2. Number of years in which the student has completed a career assessment prior to the current academic year A value of 4 or more in this column satisfies the requirements for the Assessment ICAP requirement
My Goal + Options After HS	This measure is the combined total of three components: 1. Total modifications made to student goals in the current academic year 2. Number of years in which the student has modified a goal prior to the current academic year 3. Single additional credit for completing the Options After High School section in OKCG A value of 4 or more in this column satisfies the requirements for the Goals ICAP requirement
Education Plan	This measure is the combined total of two components: 1. Total updates made to the student's education plan in the current academic year 2. Number of years in which the student has updated an education plan prior to the current academic year A value of 4 or more in this column satisfies the requirements for the Education Plan ICAP requirement
WBL Activities Completed	This field counts total work-based learning activities completed by the student and recorded on a WBL card within the OKCG ICAP. If this value is greater than or equal to 1, the student has satisfied their Work-Based Learning ICAP requirement.
Entrance Exam	This field indicates whether the student has self-reported completion of the ACT and/or SAT. This can be recorded in the External Assessment section or custom card within OKCG ICAP. A status of "Reported" in this field satisfies the College Entrance Exam ICAP requirement.
ICAP Status	A status of Complete indicates that the student has satisfied all OKCG-based graduation requirements for their ICAP. I.e., all requirements listed above have been satisfied.
