

# FURNITURE SEARCH ASSIGNMENT

NAME: \_\_\_\_\_ DATE: \_\_\_\_\_ HOUR: \_\_\_\_\_

1. Research each era of furniture styles listed below (20 eras of furniture styles total).
2. Find 2 examples of each era of furniture styles and copy into a word document (use small pictures of each example of furniture; you will have 40 examples of furniture pieces total).
3. Label each furniture style with the era and title of furniture style you researched.
4. In a complete sentence, explain the characteristics that attract you to this furniture style (William and Mary, Colonial, etc.)

*The following will be the grading scale: .5 for listing furniture style (William and Mary, Colonial, etc.), .5 for 2 pictures per furniture style, .5 for listing the era of the furniture (1500-1754, 1702-1714, etc.), and .5 for a COMPLETE sentence for explaining the characteristics that attract you to this furniture style (William and Mary, Colonial – not the pictures specifically.) This is worth 40 points.*
