

Graph of the Week

Name _____

April _____, 2020

Analyze the graphs below and write a reflection on what you think the graphs are communicating to you. To guide you with your response, start with some observations.

- Questions to ask when reading graphs:
- Is there an upward or downward trend?
 - Are there any sudden spikes in the graph?
 - What is being compared in the graph?
 - What prediction can I make for the future?
 - What inferences can I make about the graph?

- What is the topic of the graph?
- What quantities are being compared? (If there are x- and y- axes, what do they represent?)
- What are some observations that you can make based on the graphs?
- What do you foresee happening in the next 10 years?
