**Graph of the Week**

May _____, 2020

Name_____

Analyze the graphs below and write a reflection on what you think the graphs are communicating to you. To guide you with your response, start with some observations.

- What is the topic of the graph?
- What quantities are being compared? (If there are x- and y- axes, what do they represent?)
- What are some observations that you can make based on the graphs?
- What do you foresee happening in the next 10 years?

Racial Divide in Coronavirus Impact

Percentage who say they or someone in their household has lost a job or taken a paycut due to COVID-19

■ Hispanic   ■ Black   ■ White

Hispanic: 49% (March) → 61% (April)
Black: 36% (March) → 44% (April)
White: 29% (March) → 38% (April)

Survey conducted March 19-24 and April 7-12
