Name

Analyze the graph below and write a reflection on what you think the graph is communicating to you. To guide you with your response, start with some observations.

- What is the topic of the graph?
- What quantities are being compared?
- What are some observations that you can make based on the graphs?
- What surprises you about the graph? What do you wonder?
- What do you foresee happening in the next 10 years?

Questions to ask when reading graphs:

- Is there an upward or downward trend?
- Are there any sudden spikes in the
- What is being compared in the graph?
- What prediction can I make for the future?
- What inferences can I make about the graph?

Americans' return to pre-COVID life reaches pandemic high

Still, vast majority agree COVID-19 changed Americans' lives forever
