Message from Holly

As the year is quickly coming to an end, I want to tell each of you how much I appreciate all you have done this year. I know there have been many obstacles, but I also believe students have still been given the best from our FCS teachers.

The next few weeks will continue to be full of activities and meetings. Please be sure to attend your virtual PI meeting. We will be planning dates for next year and we want to make sure you have this information before you leave school this year. Our hope is that we will have most (if not all) events in person again next year.

Housekeeping for end-of-year:

- Update CESI data for 2nd semester by May 31st
- Upload all documentation into your program folder on ctYou, including Program Assistance (412/314) expense report
- EOIs: work with your testing liaison and proctor to administer these test by end of school
- Respect the State Staff's personal time. If you have a question after working hours and it is not an emergency please send an email.
- Do not share State Staff's personal cell numbers without permission.
- If you are not returning to your current teaching position notify your Program Specialist.

Have a great ending to your year.

Sincerely,
Holly
