Free Photo Images for Student and Teacher use

Unsplash is a great source of free high resolution images that you and your students can use in various school projects and art works. I am definitely adding it to this of the best free [photo sources for teachers and students](#). Unsplash is totally free and does not require a sign up. You can download and use photos there with or without attribution. Here is what its [license](#) states:

- All photos can be downloaded and used for free
- Commercial and non-commercial purposes
- No permission needed (though attribution is appreciated!)

Unsplash hosts over 2 million free photos provided by 'a generous community of photographers'. The site also has a section for education named [Unsplash for Education](#) where students can search for and access a wide variety of photos to use in class.
