

Additional Resources for Leadership and Management Course

<https://www.characterandleadership.com/curriculum-overview/highschool/>

Character Development & Leadership Classroom Curriculum has many free lesson plan samples; provides a list of movies that relate to a particular characteristic; could be a curriculum that would need to be written for as a part of a future lottery grant.

Quick overview of the above mentioned curriculum.

www.TheEnergyBus.com

The Energy Bus by Jon Gordon addresses 10 rules to fuel life, work and a team with positive energy. The website also has downloadable inspirational posters, a guide and action plan for book clubs. A good read for an outside reading assignment with class discussions.
