

# FCCLA BREAKOUT BOX INFORMATION

## **SET YOUR LOCKS**

- 3 Digit Lock Code: 2-7-6
- Alpha Lock Code: CREED
- Directional Lock: Up, Down, Right, Up, Left

## **PRINT**

- 3 Digit Lock Clue
- Directional Lock Clue
- Padlock Key Clue
- Alpha Lock Clue
- Lock Placemat
- Hint Cards
- Hint Page
- Backdrop Printable (if making a picture taking area)
- Escape Picture Signs (if making a picture taking area; it's best if you print these on different colored cardstock)

## **SET UP**

- 1) Hang up the eyechart and place somewhere on the wall in your classroom (the eyechart is the padlock key clue).
- 2) Hide the padlock key behind your FCCLA Calendar (if you don't have one print one off for your state).
- 3) If you are having the students compete as a group with more than one box, then place the clues in color coordinated plastic eggs. The clues that will need to be placed in the eggs are: 3 digit lock clue, alpha clue and directional lock clue.
- 4) Hide the eggs around the room.

- 5) If you are doing a picture taking area for after the breakout- tape up your plastic tablecloth on the wall and place several of the backdrop printables around the plastic tablecloth.
- 6) Inside your box put the printout: InsideBoxPrintOut (found in the printables section), plus anything else you would like to (like candy or nametags that say "I AM A LEADER!")
- 7) Set up your boxes: put hasp on box, plus the four locks.
