

Extension Activity One

Observation and Reflection Form

Create an account on  **OKCareerGuide.org**
Occupation Research

1. When you are logged in, click on  **Explore Occupations** on the left side of the screen.
2. After opening the section, click on **Occupations by Title**.
3. This will give you a place to type in an occupation title. Using the **Job title of speaker**, click on the **search occupations** button.
 - **Note:** If you do not see the occupation you are looking for, try adding more descriptors to the title and search again.
4. Select the occupation that is closest to the speaker’s title.
5. Using the information found on the page that opens and the tabs across the page, answer the questions below.

Extension Activity Two Oral Presentation

Using all the Related Occupations found in the Occupation Research activity, assign related occupations to students in the class to research; then present to class.

- Set a limit to the number of slides. [6-12 PowerPoint slides]
- How does this related occupation relate to the original occupation?
- Would you consider using this occupation as a starter job?
- Set a time limit for the presentation.
