February 14, 2022

The 2022 Career Development Conference is here and will officially start on **February 16th** in Midwest City! We can't wait to see all of our DECA-mazing members, advisors, and volunteers at this state conference.

Please visit the conference website for an agenda, state officer candidate previews, competitive event schedules, dress code information, and more!

State Leadership Conference registration has closed, but the online testing portal, and the pre-submit site are still open! Visit our website for more information and important dates. When logging into the sites please remember to use your student's Participant ID, this can be found on the SLC invoice.

Pre-Submit Deadline: **February 15th** (extended due to inclement weather)

Testing Deadline: **February 18th**

Know someone who can judge? Parents, school administrators, business leaders, teachers at your school, students who have been out of your program for two years, and others can all be judges at SLC! Send potential volunteers to <https://bpaok.org/judges-and-volunteers/>.

Please keep in mind that the BMITE staff will be at the 2022 DECA Career Development Conference Tuesday, February 15th through Thursday, February 17th. Emails to Paxton Cavin for assistance will most likely only be answered in the evenings.

[Additional Information](#)

Due to our BMITE staff helping with DECA CDC the week of February 14th there will be no Monday Madness newsletter released on Monday, February 21st.

Certiport will no longer be offering MTA exams after **June 30, 2022**. So, if you have any MTA exam vouchers, you will need to test on or before June 30th.

Certiport has developed IT Specialist exams to cover the foundations that MTA had, but with additional components outside of just Microsoft platforms. The graphic below will show you the ITS exam that will be replacing the MTA exam.

MTA Exam	ITS Exam
• Database Fundamentals	• Databases
• Networking Fundamentals	• Networking
• Intro to Programming Using JavaScript	• JavaScript
• Intro to Programming Using Python	• Python
• HTML5 Application Development	• HTML5 Application Development
• Software Development	• Software Development
• Security Fundamentals	• Network Security
• Intro to Programming Using Java	• Java
• Intro to Programming Using HTML and CSS	• HTML and CSS
• Mobility and Device Fundamentals	• Device Configuration and Management

These 10 exams are available now, and the following 3 are coming out by the end of March 2022: **Artificial Intelligence**, **Cloud Computing**, and **Computational Thinking**.
