## CareerTech awards \$4.5 million in lottery grants, scholarships

The Oklahoma Department of Career and Technology Education has awarded more than \$4.5 million in lottery funds.

CareerTech awarded \$2,064,816 in grants to 26 technology centers for the 2022-23 school year and \$2,056,516 in grants to K-12 school districts for the 2022-23 school year, along with 388 scholarships worth a total of \$400,150 for the 2021-22 school year.

"These funds from the Oklahoma Lottery will benefit instructors and students throughout the CareerTech system and help us fulfill our mission to give students the skills they need to enter the workforce and make informed career choices," said Lee Denney, CareerTech's interim state director. "Through the competitive grant process, there is a direct investment in classroom and training experiences, including new equipment, technology and enhanced instructional resources."

## Ready to pursue your MS in FCSED?

Ready to pursue your MS in FCSED? Looking for a 100% online program? Look no further than Oklahoma State's program! It includes 36 hours of coursework taught by FCSED faculty at OSU and 5 partner institutions, and is designed to help you meet your professional goals. This program does not lead to teacher certification, but rather was designed to enhance your current teaching and FCCLA responsibilities while also preparing you for future administrative or specialist opportunities. Go to <https://osuonline.okstate.edu/programs/graduate/family-and-consumer-sciences-education-master-of-science.html> for more details about the courses, costs, and scholarships. Applications are being taken now for fall 2022 and spring 2023 starts!
