

# Ignite Your Strength with the Fire of

It takes more than luck and a winning smile to be a success in your family, career, and community.

It takes vision.  
It takes commitment.  
It takes practice...  
It takes **Dynamic Leadership!**

Dynamic leaders explore leadership possibilities. They master the essentials of leadership strength, and learn to use strategies for ultimate leadership success.

Dynamic leaders make a positive difference for themselves and others. They spread the flame of youth leadership to influence individuals, schools, families, workplaces, and communities.

You don't have to be an officer or a stand-up-in-front type of person to practice dynamic leadership. Start where you are, explore interesting topics, and try new experiences through your FCCLA chapter.

**Ignite the fire of  
dynamic leadership in you!**
