## Career Z Challenge

### Sponsored by the U.S. Departments of Education, Labor, and Commerce.

This is an opportunity for you and your school to be involved in a national conversation about work-based learning. There are competitive prizes available to help fund your WBL efforts.

The launch of the U. S.

Department of Education's (Department) **Career Z**

**Challenge**, a multi-phase prize competition to expand high school student access to high-quality work-based learning (WBL) that will prepare them to be contributing members of today's workforce and propel them into successful careers of the future. This challenge supports the Biden-Harris

Administration's [Raise the Bar: Unlocking Career Success](#) initiative championed by the U.S. Departments of Education, Labor, and Commerce.

Through this Challenge, the Department invites Perkins eligible schools, districts, and consortiums to share their ideas for creating or enhancing WBL opportunities in career and technical education (CTE) programs through the expansion of WBL ecosystems. Eligible entrants will engage collaborative ecosystems of educators, businesses, industries, workforce

professionals, and community stakeholders to provide students interconnected and expansive career development opportunities and experiences across grades 9 - 12. Semi-finalists and finalists will be eligible to receive targeted technical assistance including professional development support, webinars and training, participation in a community of practice (CoP), as well as a portion of a \$2.5 million prize pool.

The lessons learned from this challenge will inform resources and models that will foster growth and expansion of high-quality, sustainable WBL experiences for students nationwide. I hope you will support the challenge in one or more of these ways:

Invite eligible schools in your State to submit their innovative ideas by **May 24, 2023**. Join the challenge CoP and encourage other members of your state's WBL ecosystem to do the same. Sign up at [CareerZChallenge.com](https://www.careerzchallenge.com). Amplify this important work by sharing this opportunity on your social media channels. ## FCS May Workshops

FCS May Workshops will be held **May 23-25** so mark your calendars! For locations, pricing and additional information click on the button below. Make PO's/Checks payable to ODCTE.

# May 23-25

## FCS WORKSHOPS

### Interior Design Ideas for the FCS Classroom

Participants will learn how to use Sketchup, a simple and free 3D modeling software to design a project using colors and different materials.

### Chef Guided Culinary Sessions

Experience a day of hands-on training in food laboratories. Participants will rotate through four different sessions with culinary instructors at Francis Tuttle.

### Serger Workshop with B-Sew Inn

The day will be devoted to serger practices and projects. Machines and kits will be provided.

### Fuel for the Future & Hospitality Excursion

FREE resources, videos, recipes and food demo ideas to promote good nutrition and healthy eating
