National Leadership Conference

Oklahoma FCCLA NLC Packages

Oklahoma NLC Package due **April 20**. All attendees, including advisers, members, and chaperones are required to purchase the package. The cost is \$95 per person. The package registration is due **April 20, 2023** and can be found on the Oklahoma FCCLA website – attend – National Leadership Conference.

Oklahoma NLC Voting Delegates

Oklahoma FCCLA needs dedicated members to serve as the 2023 Oklahoma Delegating Voting Delegates. They will attend National Officer Candidate sessions and cast our ballot on the election of the new National Executive Council as well as the votes for the national bylaw amendments. Applications are due **April 20, 2023**. <https://oklahomafccla.org/national-leadership-con-1>

Citizens Caring for Children

Calling all high school students!

**We are now accepting applications for the 2023 - 2024
Citizens Caring for Children Teen Board!**

The Citizens Caring for Children Teen Board application is open to outstanding students who have a passion to serve, lead and help children in foster care. Students that participate in our Teen Board will have the opportunity to partake in leadership training, fundraising events, and volunteer opportunities. Teen Board members serve a ten-month term from August 2023 - May 2024 and are required to attend monthly Teen Board meetings in Oklahoma City, plan fundraising events, and raise awareness for Citizens Caring for Children and Oklahoma foster kids.

The Teen Board application is open to any student entering grades 9th - 12th and attending an Oklahoma high school for the upcoming 2023 - 2024 school year.

For more information, and to complete the online Teen Board application, please click on the button below.

Applications are due by Wednesday, May 10th at 5PM.

Ag in the Classroom

The Ag in the Classroom FREE conference is scheduled for **July 25th** at Metro Tech. Great professional development and is a fun educational day. The button below is a connection to all the information!

Career Z Challenge

Sponsored by the U.S. Departments of Education, Labor, and Commerce.

The launch of the U. S. Department of Education's (Department) **Career Z Challenge**, a multi-phase prize competition to expand high school student access to high-quality work-based learning (WBL) that will prepare them to be contributing members of today's workforce and propel them into successful careers of the future. This challenge supports the Biden-Harris Administration's [Raise the Bar: Unlocking Career Success](#) initiative championed by the U.S. Departments of Education, Labor, and Commerce.

Through this Challenge, the Department invites Perkins eligible schools, districts, and consortiums to share their ideas for creating or enhancing WBL opportunities in career and technical education (CTE) programs through the expansion of WBL ecosystems. Eligible entrants will engage collaborative ecosystems of educators, businesses, industries, workforce professionals, and community stakeholders to provide students interconnected and expansive career development opportunities and experiences across grades 9 - 12. Semi-finalists and finalists will be eligible to receive targeted technical assistance including professional development support, webinars and training, participation in a community of practice (CoP), as well as a portion of a \$2.5 million prize pool.

The lessons learned from this challenge will inform resources and models that will foster growth and expansion of high-quality, sustainable WBL experiences for students nationwide. I hope you will support the challenge in one or more of these ways:

Invite eligible schools in your State to submit their innovative ideas by **May 24, 2023**.

Join the challenge CoP and encourage other members of your state's WBL ecosystem to do the same. Sign up at [CareerZChallenge.com](https://www.careerzchallenge.com).

Amplify this important work by sharing this opportunity on your social media channels.

CareerTech Badging

Should I or do I have to give my students the EOI? There is now a better reason to give those EOI's (End of Instruction) tests. These tests can now become a digital badge from CareerTech and Credly. Digital badges can be used in email signatures or digital resumes, and on social media sites such as LinkedIn, Facebook, and Twitter. This digital image contains verified metadata that describes your qualifications and the process required to earn them.

More information will be given at Oklahoma Summit, but if you would currently like to learn more about badging, click on the following

link: <https://oklahoma.gov/careertech/educators/certifications-and-badging/badging.html>

May Workshops for FCS Teachers
