## Curriculum Spotlight

This website: <https://www.jennycancook.com/> has many recipes and videos of the recipes; it is advertisement free and she modifies many of the recipes to make them healthier such as Wheat Brownies. Some of you will recognize Jenny as a TV show host from years ago. Check out the website, I think it can be a useful tool in the classroom.

## CareerTech Badging

Should I or do I have to give my students the EOI? There is now a better reason to give those EOI's (End of Instruction) tests. These tests can now become a digital badge from CareerTech and Credly. Digital badges can be used in email signatures or digital resumes, and on social media sites such as LinkedIn, Facebook, and Twitter. This digital image contains verified metadata that describes your qualifications and the process required to earn them.

More information will be given at Oklahoma Summit, but if you would currently like to learn more about badging, click on the following
