

Help our guests celebrate Hanukkah,
Christmas, and Kwanzaa by

DECKING THE HALLS

at the American Cancer Society
Chad Richison Hope Lodge

How can you get involved?

This year we are decorating the 34 guest rooms in our Hope Lodge community with 4 foot Christmas trees adorned with your favorite trimmings, Kwanzaa kinaras, or Hanukkah menorahs. But we need your help!

Bring your favorite holiday adornments and join us on November 27-30 to decorate! You could also host a hot cocoa or cider bar with cookies for Hope Lodge guests to get in the holiday spirit with their caregivers while helping help us deck the halls.

If you would like to participate, please contact our Hope Lodge managers, Lesa Foster (lesa.foster@cancer.org) or Ronnie Traylor (ronnie.traylor@cancer.org) or (405) 930-5464 with the following info:

- Church, School or Business Name
- Contact person
- Phone Number
- Email
- Number of room(s) you would like to decorate.
- What decoration you will be bringing? (kinara, menorahs, 4-foot trees)

Please let us know of your participation by October 31, 2023

Thank you for helping us deck the halls during this season of hope.

Hope Lodge®
