

Investigating National Programs

Name: _____ Date: _____ Period: _____

Directions: Go to www.fcclainc.org and click on Programs. Locate the national program you are responsible for and answer the following questions. Remember to read carefully and be complete in your responses so you can teach your peers about this program. Some of the information will not be available for each program. If that is the case, write N/A in the blank and go to the next question.

National Program Title: _____

In your own words, what is the description of this program?

If there are “units” for this program, list each unit and provide a brief explanation of each (in your own words).

Who are the partners? For each partner, give a brief description of who they are and what they provide.

Partner	Summary of Organization	Resources or Services

What is the award, how do you apply, and when is the deadline?

What is something you feel is important that you learned from your research?
