Passport to the Future

(Add pages as needed, so that students can make notes on all exhibits and write questions they created before fair.)

As you move through the college and career fair and talk to representatives at each exhibit, write the name of each employer or college you visit in one of the boxes below and ask a representative to sign or stamp it. You may use this form to make notes about memorable employers or higher education institutions.

Student name:	Date of fair:
School:	

Exhibits visited:

Additional questions on back of paper.
