October 7, 2024

See you soon!

We are so excited that the 2024 Fall Leadership Conference is almost here! We can't wait to see the more than 2,000 of you that have registered on October 21 at the Embassy Suites in Norman. Whether you have a new member looking to add purpose to your team or a returning BPA expert who wants to unlock their fullest potential – this FLC experience will help achieve those goals.

We will not have printed copies of the agenda at FLC so be sure to print your own beforehand if you prefer one. We will have QR codes of the agenda throughout the venue for easy access.

Remind your students to bring \$5 if they would like to purchase a game pass. This pass will get them into the game room where there will be karaoke, board games and good times.

FLC Agenda

With FLC right around the corner, don't forget about the Chain of Love project! Getting involved is as easy as 1 – 2 – 3:

1. Students make a donation to their local chapter and receive a “paper link.”
2. They decorate the link and add it to the chapter's “Chain of Love.”
3. Advisors mail your chapter's check to Oklahoma BPA at 1500 W. Seventh Avenue, Stillwater, OK 74074.

The top three chapters will be recognized during FLC and receive a plaque for their chapter. Don't forget to bring your completed chain to FLC for display. This year, we will also have links available for purchase at FLC.

Email your final pledge amounts to Emily Barrett no later than **Wednesday, October 9.**

FLC Information

The DECA Aim for Glass competition intro camp will NOT be held this month at FLC. We will keep you updated on future training opportunities.

Don't forget to bring your spare change to FLC! During general session, we will have the Miracle Minute, where students have one minute to collect as much money as possible. All proceeds will benefit the Muscular Dystrophy Association.

We are working on updating the DECA website at this time. Please bare with us during this process!

Follow-up is open

It's time to start reconnecting with your former students. Follow-up reporting is due by November 30. Before getting started, you will need to know the students' employment and education status, certifications, and any work-based learning participation. The list of your 12th grade students from last year will auto-populate in CTIMS.

K-12 Enrollment (CESI) Due

It's that time of year to complete your K12 enrollment, also known as CESI. But just because it's due on Halloween doesn't mean it needs to be scary! For guides, templates, worksheets and more, visit the CTIM's website at the link below.

Five-year Evaluation Courses

We know five-year evaluations can seem overwhelming. To help you have time to prepare, instructors have been assigned a course in ctYOU all the way to 2029. This will allow you to see everything that will be needed and start uploading documents as you go. It is still a good idea to save everything in a folder on your computer as well.

If you have an evaluation this year, the date of your visit is updated on your course.

OKSTE 2024- All In: Transforming Education

The Oklahoma Society for Technology in Education annual conference will be here before you know it! This year's conference features world-renowned keynote speakers- Dan Fitzpatrick and Matt Miller. Join educators from around the state for two days of inspiration, collaboration and cutting-edge technology.

See you there on November 6 and 7 at the Cox Convention Center in Tulsa.

Artificial Intelligence Workshops

This fall, staff from the Oklahoma State Department of Education will travel across the state to lead professional learning workshops focused on artificial intelligence. These workshops are completely FREE to attend! Register by clicking the date and location you want to attend.

October 10- Chickasha

October 24- Enid

Join the Oklahoma Veterans Film Competition

The Oklahoma Military Hall of Fame and Oklahoma CareerTech have teamed up to host a student competition that celebrates the service of Oklahoma veterans through high-quality short films. High school and post-secondary students across the state will have the chance to collaborate with veterans to document and produce their military stories.

Teams must register NOW by emailing the completed form to oklahomavfc@gmail.com
