Once the state and national dues are paid, the student will be an official affiliated member.

Engaging with FCCLA

FCCLA offers programs, contests, scholarships, and opportunities for members to:

- Develop skills
- Become college- and career-ready
- Make a difference in families, careers, and communities.

Compete in FCCLA

Through participation in Competitive Events, FCCLA members acquire industry insights and employable skills required to thrive in the 21st Century. Members can select from over 50 Competitive Events that employ skills and knowledge learned through Family and Consumer Sciences (FCS) education. Competing on regional/district, state, and national levels in Competitive Events enables members to explore Career Pathways and address significant personal, work, and societal issues.

Attend FCCLA Events

Every year, FCCLA hosts conferences that bring together FCCLA members, advisers, and supporters from across the nation to learn, compete, and network. FCCLA's conferences offer enriching experiences that provide attendees with the opportunity to hear from motivational speakers, attend rewarding workshops, connect with youth leaders, and develop skills for life.

Lead through FCCLA

FCCLA is a student led organization with leadership development as a primary focus. All FCCLA members have the opportunity to become leaders within the organization. The skills gained, connections formed, and opportunities experienced through serving as an officer in FCCLA will elevate students as they take the lead in families, careers, and communities of today and tomorrow.

Students can become leaders at the local, district, state, and national levels of FCCLA.
