Keynote Speaker
Blaine Wise

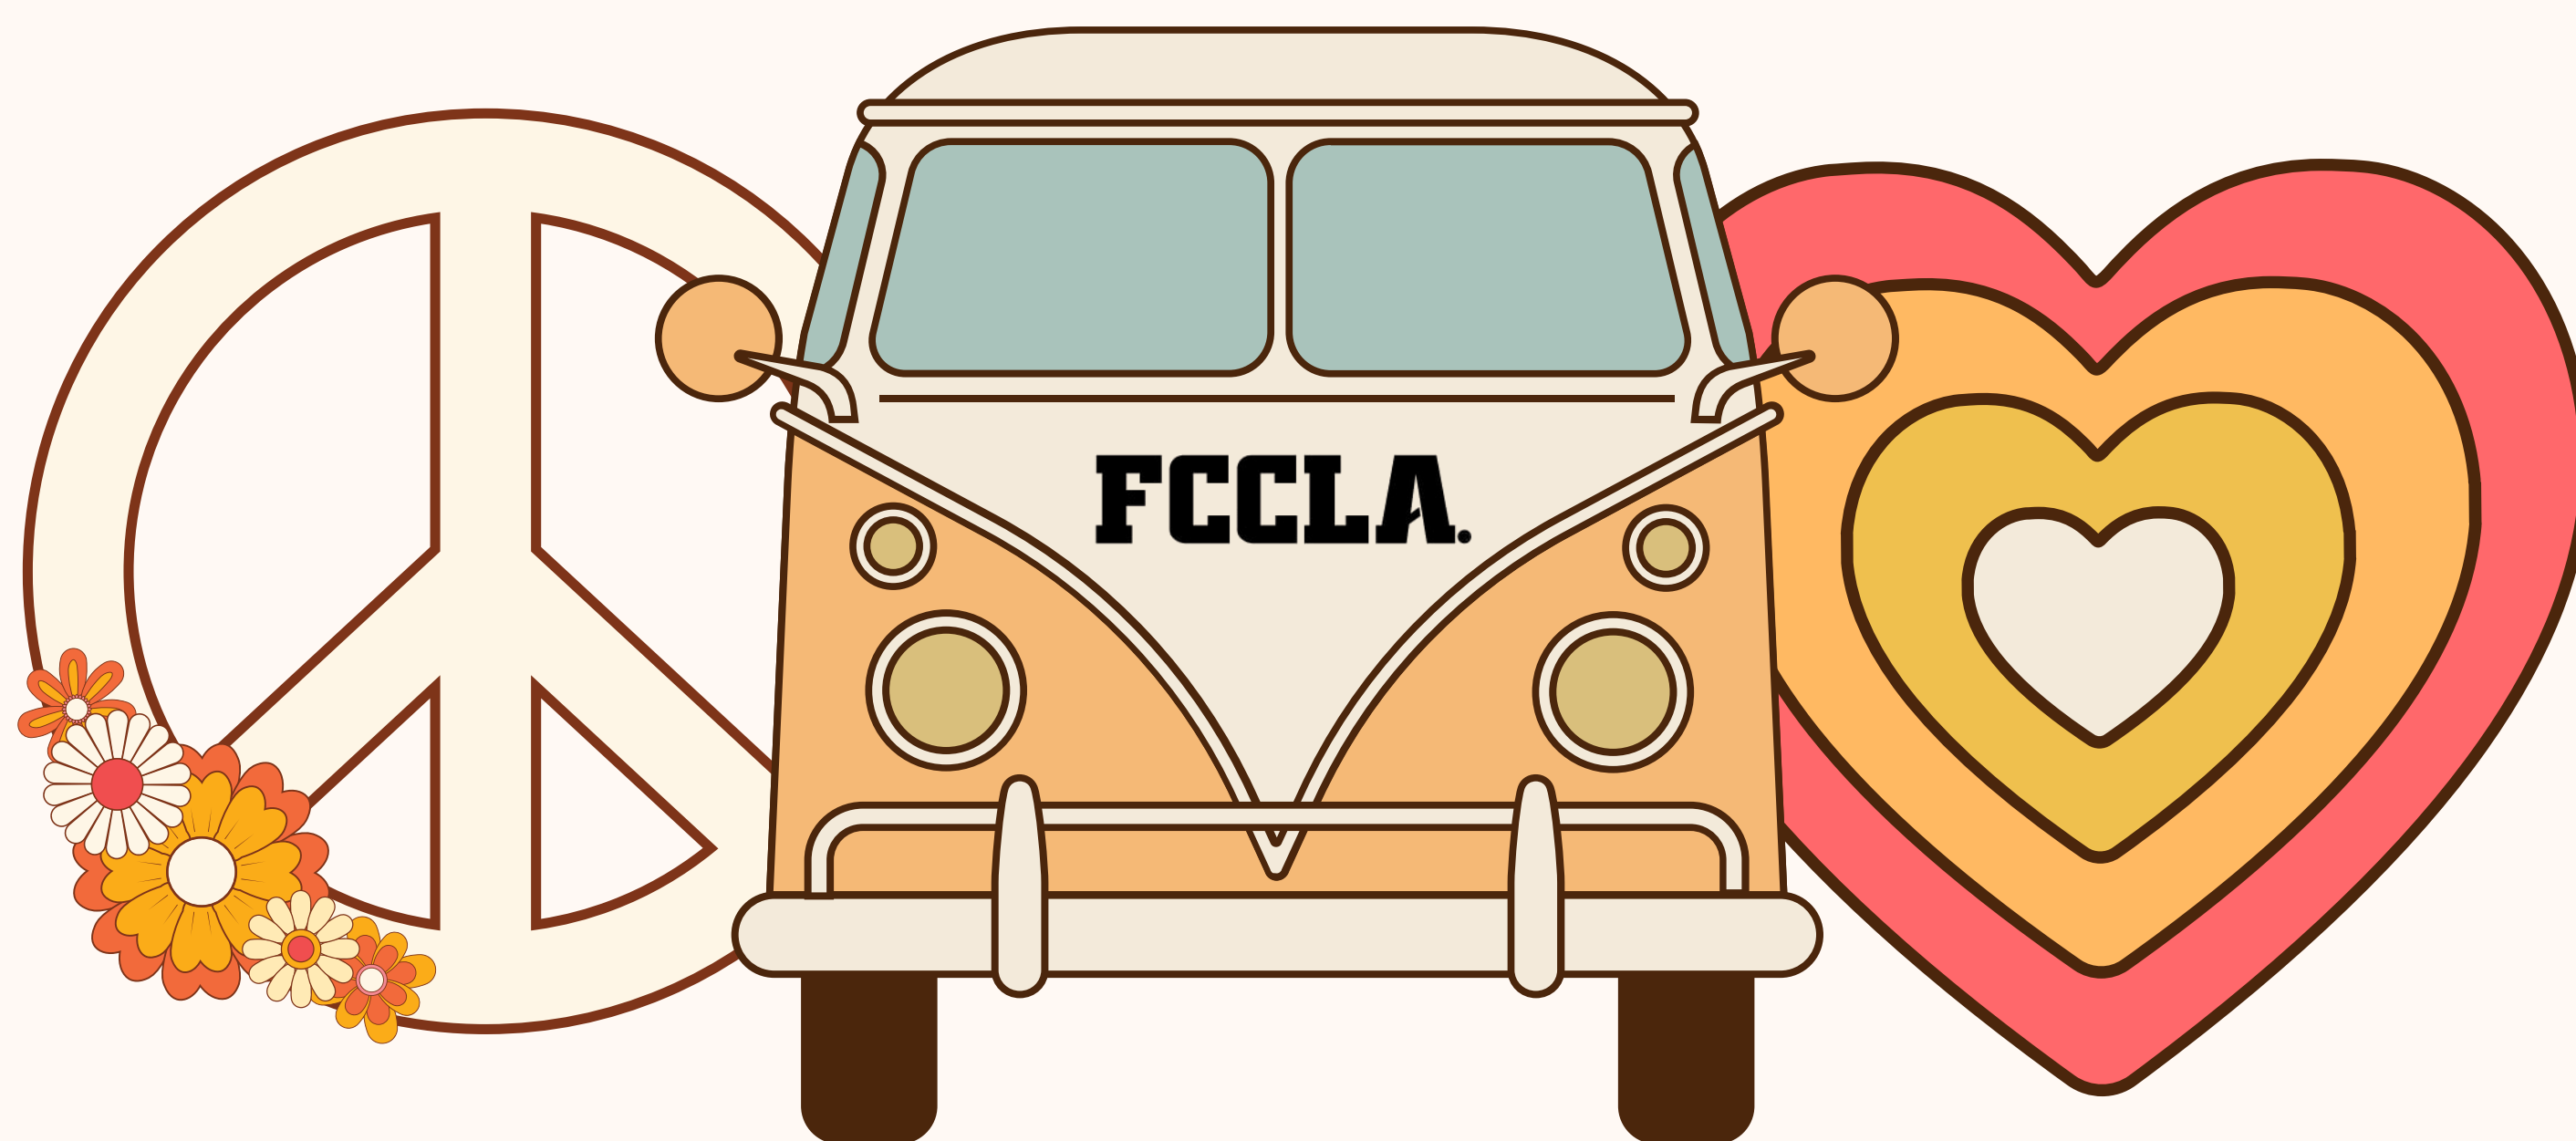

Mr. Wise believes every student has the potential to lead—whether that's in the classroom, on a team, in a club, or just by being someone others can count on. He doesn't just talk at students; he talks to them—with stories, humor, and real honesty about the challenges they face.

His goal? To help you realize that you don't have to wait to be older to make a difference—you can be a leader right now.
