

# 2025 OKLAHOMA TEACHER OF THE YEAR

Melissa Evon

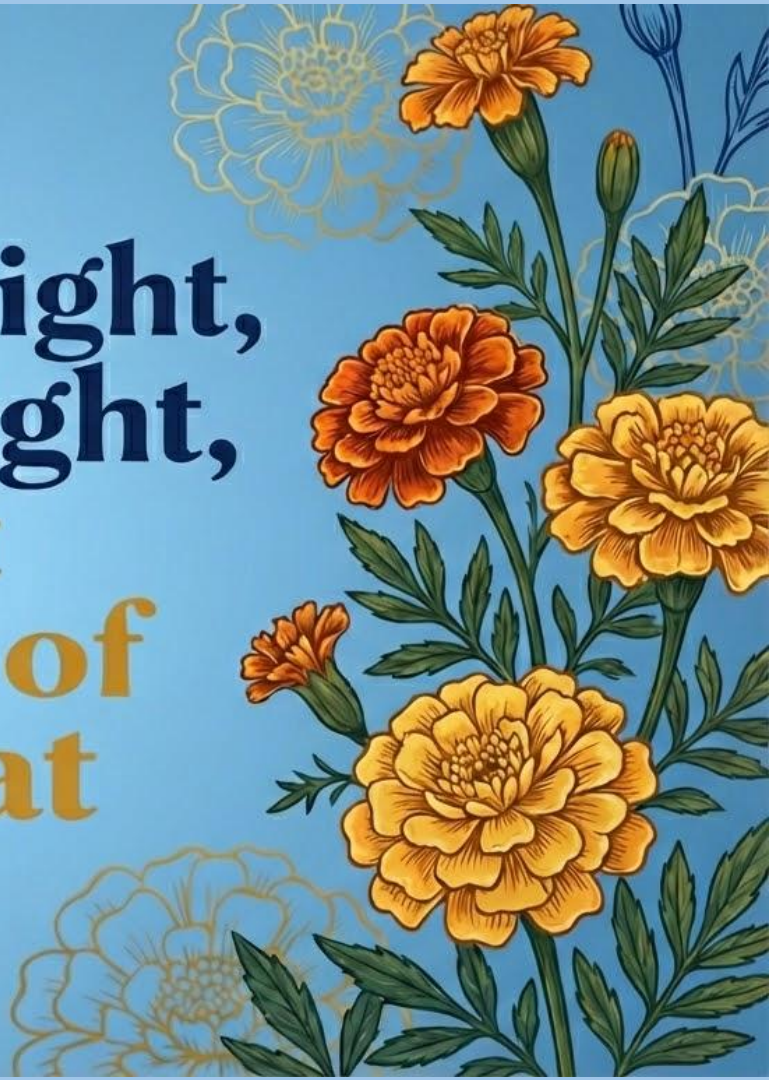

**WHAT YOU DO MATTERS!**

**See the light,  
be the light,  
and just  
get out of  
the boat**

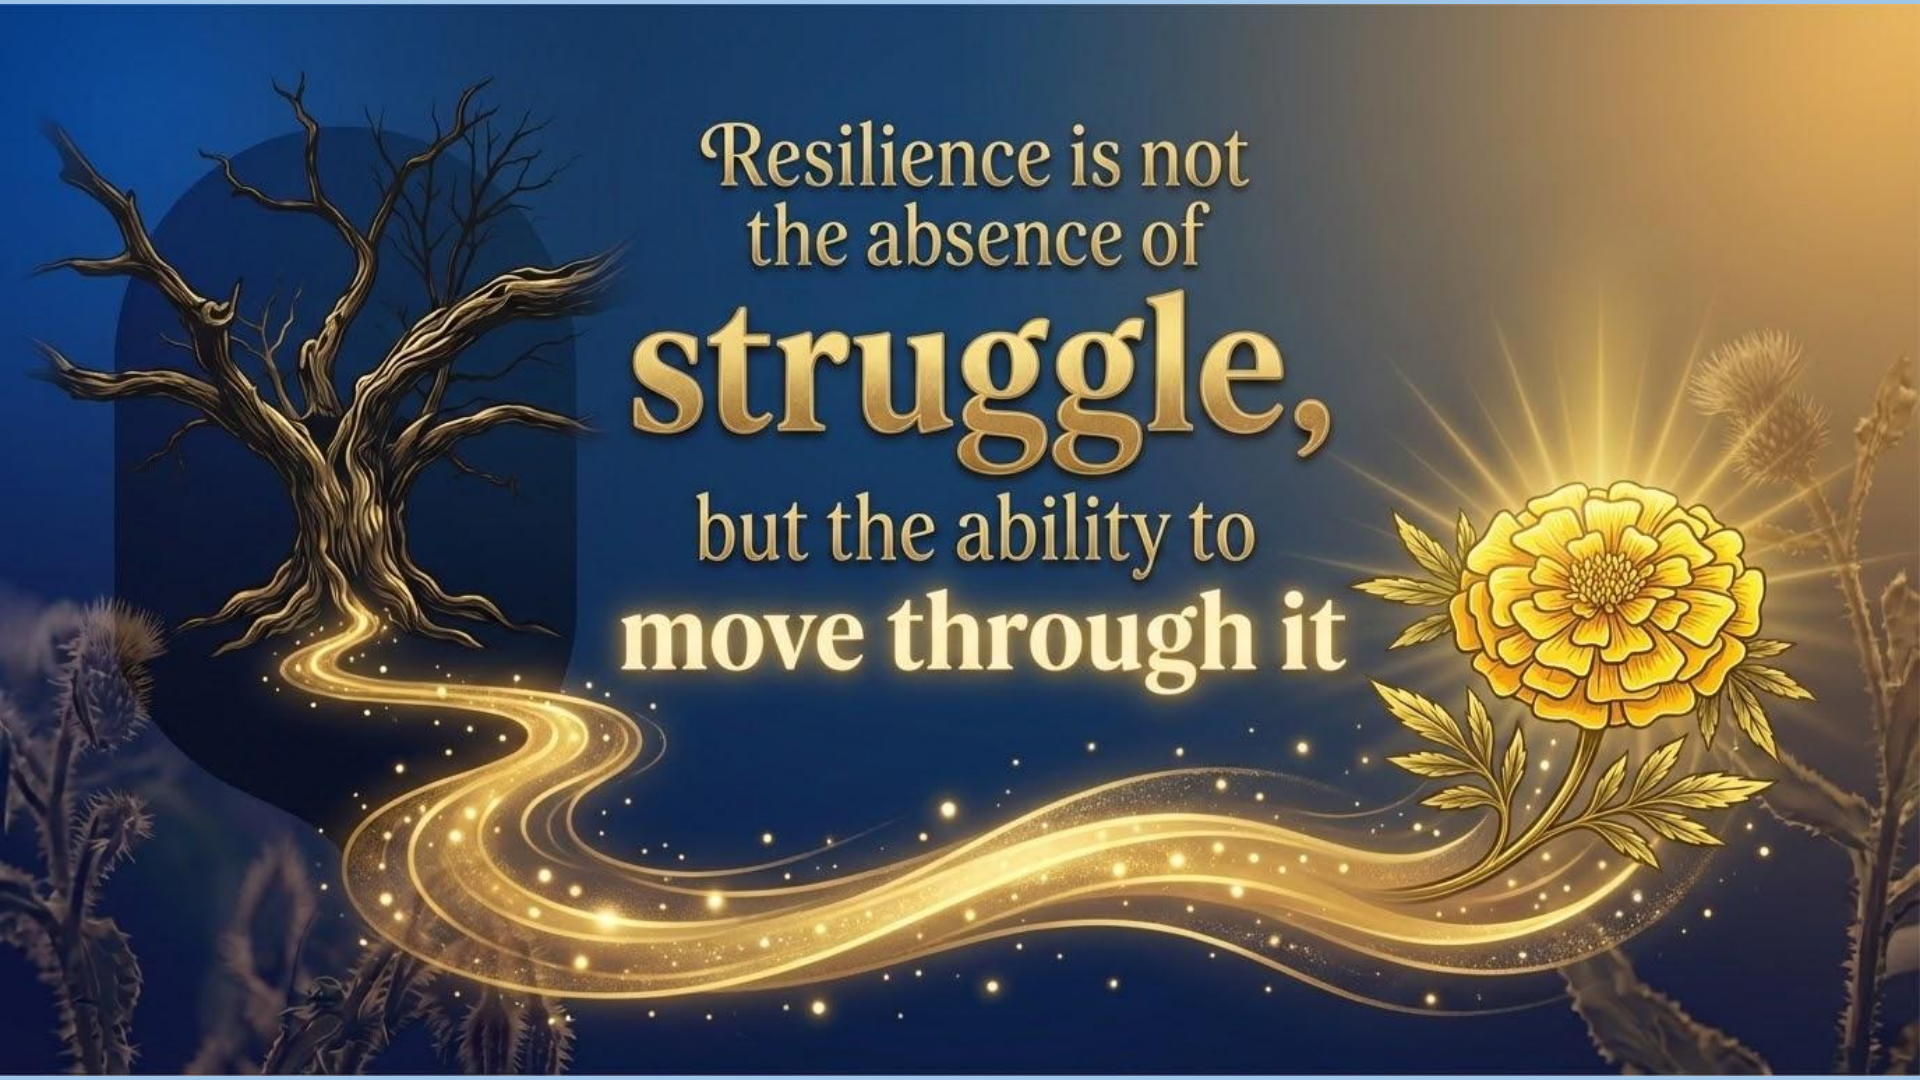

The year is more than  
half way through!  
You are making it!

It's time to reflect and celebrate!

Resilience is not  
the absence of  
**struggle,**  
but the ability to  
**move through it**

# The Daily Practice of Bouncing Back

## The 12-Hour Rule:

Honor the frustration,  
then pivot.

## The Bare Minimum Goal:

On the hardest days,  
showing up and being  
kind is a total victory.

## Action:

Give yourself grace  
to be a “work in  
progress.”

# Your Ecosystem of Support

Find Your  
Marigold:

Surround yourself  
with those who  
help you grow.

Ask for  
Guidance:

Vulnerability is a  
professional skill.

Reconnect  
to the “Why”:

When the “What”  
(paperwork, testing, etc)  
gets heavy, remember  
the “Who.”

find your  
**MARIGOLD**  
and be a marigold  
**BE THE LIGHT**

# Reflect and Refocus

---

What are your highlights, hurdles, and plot twists?

# Highlights, Hurdles, and Plot Twists

## Highlights

what were your  
successes?

## Hurdles

what were your  
challenges?

## Plot Twists

what were your  
surprises?

## Why do you want to continue to be a FCS teacher, FOREVER?

- Get to teach kids to be parents
- It's hands on and kids like it
- We are teaching real skills that prepare all students for adult life
- Get to collaborate with other great teachers
- Travel opportunities with students

We are teaching real skills that prepare all students for adult life

Get to collaborate with other great teachers

Travel opportunities with students

Keep working to make things better for the future of your students and your own future. Sign up for the Professional Development.

Meet with your colleagues; the people in this room are people for ideas and so are the people in your districts. Ask questions. No one expects you to know everything.

Share your successes; I know you've had them.

# Family and Consumer Science Teachers: Transforming Oklahoma, the work force, and Families through Essential Life Skills

**Communication Skills:**  
Effective dialogue & connection.

**Work Skills:** Professionalism  
& career readiness.

**Personal Financial Literacy:**  
Budgeting & fiscal responsibility.

**Life Skills:** Home management  
& practical knowledge.

**Parenting Skills:** Nurturing &  
child development.

**Confidence:** Self-assurance &  
personal growth.

Let's brainstorm more! Our students and our state need our expertise.

# Educators are the

innovators, the nurturers, the ones  
building life skills and shaping future  
scholars, workers, and leaders in classrooms  
across our state.

## What you do every day matters!

# How can I help?
