#### It is time to update the Oklahoma Department of Career & Technology Education Strategic Plan!

This plan will define who we are, what we prioritize, and how we move forward in the years ahead. Its success depends on your voice, your experience, and your leadership.

The state agency is beginning this process by gathering input from key stakeholders, including CareerTech staff, instructors, students and their families, business and industry partners, education partners, and community members. Your perspective is essential in helping define where we are headed and how we get there.

Oklahoma CareerTech is partnering with The Persimmon Group, a Tulsa based consulting firm, to facilitate this work. Survey input will be analyzed alongside workforce, enrollment, and other relevant data to inform future strategic outcomes, guiding principles, and priorities.

We invite you to take the Strategic Planning Survey: [Oklahoma CareerTech Strategic Planning Survey K-12](#)

As you respond, we encourage you to reflect on the future of Oklahoma CareerTech, the value we create for learners and employers, and how we prepare for a rapidly changing workforce.

Your input will directly influence the goals, initiatives, and focus areas in the updated strategic plan. Thank you for sharing your voice and for being an essential part of Oklahoma CareerTech!

## Student Resources

### FCCLA: 2026 National Leadership Conference Scholarship

Students receiving scholarships on a stage

The 2026 FCCLA National Leadership Conference Scholarship offers \$2,750 in attendance assistance to nationally affiliated FCCLA student members in grades 6–11 who have not previously attended NLC. The need-based scholarship supports students attending the conference in Washington, DC and requires applicants to demonstrate financial need, leadership, community involvement, and FCCLA participation. Applications are due February 20, 2026, with recipients announced in late April 2026.

**Applications DUE:** February 20, 2026

### ACTE & NASA Launch the 2025–26 Student Video Challenge: Gateway to the Cosmos

ACTE and NASA HUNCH are teaming up once again for the **8th Annual Student Video Challenge**, inviting students nationwide to explore **Career and Technical Education**

(CTE) through the exciting world of **space exploration** and **project-based learning**.

This year's theme, "**Gateway to the Cosmos — NASA's Lunar Outpost**," challenges students to imagine how NASA's Gateway missions will advance life on Earth and beyond — while showcasing the CTE skills and careers that make these innovations possible.

As ACTE approaches its **100-year anniversary in 2026**, this milestone challenge celebrates a century of CTE excellence and looks ahead to the next era of discovery and innovation.

The contest is open to

- **Students of all ages** — elementary through postsecondary — whether in school or homeschooled.
- Entries may be submitted individually or as teams (one video per student per year).

**Learn more and enter today** to share how CTE can take us to the stars!

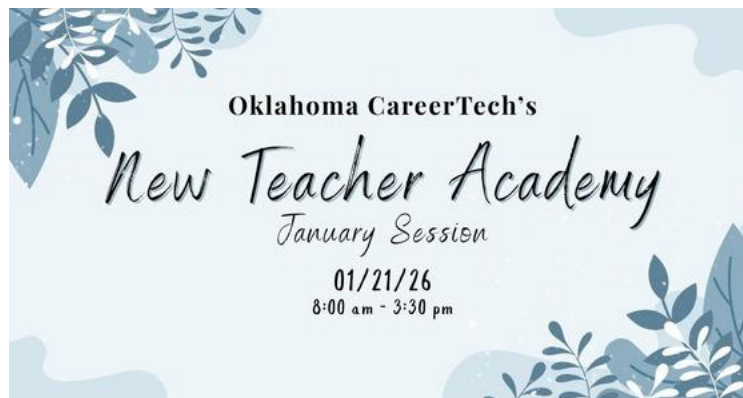

Interested in sponsoring? Contact [Julia Kendrick \(ACTE\)](#) or [Loy W. Trevino \(NASA HUNCH\)](#) to learn about scholarship opportunities for winning students.

### FCCLA State STAR Events Schedule Posted

The State STAR Events schedule is now posted on the Oklahoma FCCLA website. This schedule will let you know which event is taking place on March 25 or 26 and if it is in the morning or afternoon. If you do not have competitors competing at State STAR events, you do not attend. Competitors only need to be there for the registration of their event session. Example - if your competitor isn't competing until the afternoon session, they'll need to arrive for the afternoon session and not the morning.

**REMEMBER TO SCROLL DOWN**

### Parliamentary Procedure Testing Window January 20-23, 2026

Teams participating in the Parliamentary Procedure Event must take the Parli Test during the Oklahoma FCCLA testing window. This window is January 20-23, 2026. **Make plans now to secure a testing location and proctor, as all competitors from one school must test at the same time.** There will be no exceptions/extensions granted for this testing window, so do not plan to test at the last minute.

## NO STAR Event Online Orientation for 2025-2026

In September, national FCCLA made the decision to remove the STAR Event Orientation point from the event point summary forms. To be consistent and align with National FCCLA, Oklahoma FCCLA is not requiring online orientation forms. For the Oklahoma Events, this is still listed on the point summary form; each student will automatically receive their point for this. Point Summary Forms will be updated for the 2026-2027 school year.

An orientation video for students and evaluators will be available on the state website and strongly encouraged for all participants to view.

## 2025-2026 Competitive Events Guidelines

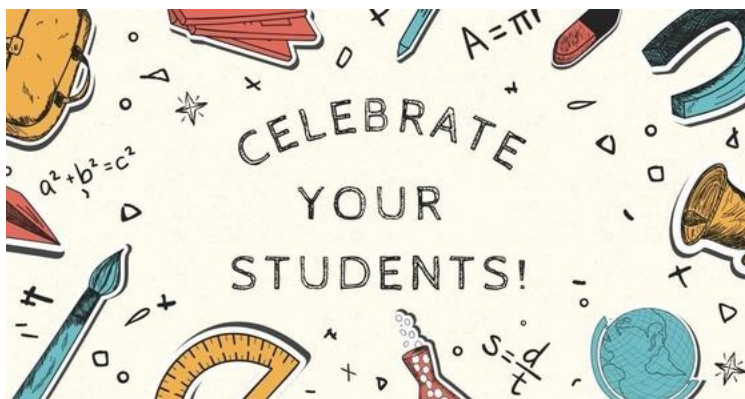

The STAR Events Guidelines are now available in the FCCLA Portal. To access them, go to: [www.fcclainc.org](http://www.fcclainc.org)

> **Resources > Competitive Events > 2025-2026 STAR Events.** Within the STAR Events section, you'll find a folder for each event containing its specific guidelines, rubrics, and resources.
