NO STAR Event Online Orientation for 2025-2026

In September, national FCCLA made the decision to remove the STAR Event Orientation point from the event point summary forms. To be consistent and align with National FCCLA, Oklahoma FCCLA is not requiring online orientation forms. For the Oklahoma Events, this is still listed on the point summary form; each student will automatically receive their point for this. Point Summary Forms will be updated for the 2026-2027 school year.

An orientation video for students and evaluators will be available on the state website and strongly encouraged for all participants to view.

2025-2026 Competitive Events Guidelines

The STAR Events Guidelines are now available in the FCCLA Portal. To access them, go to: www.fcclainc.org

> **Resources > Competitive Events > 2025-2026 STAR Events.** Within the STAR Events section, you'll find a folder for each event containing its specific guidelines, rubrics, and resources.
