

Let's Go to College: School Spirit (Kindergarten-1st Grade)

When you go to college there will be lots of fun events to attend. You can go to a sporting event, attend a play or watch the debate club. At many of these events, you may be asked to show your student identification card or student ID. During your first week of college you'll be required to get your ID card. It will have your picture, name, and school name on it. For any event you attend, be sure to take your ID and wear the right gear such as your school's t-shirts, hats, scarves or even socks. Whatever you wear, be sure it has your school's logo on it to show your school spirit.

Student ID Card

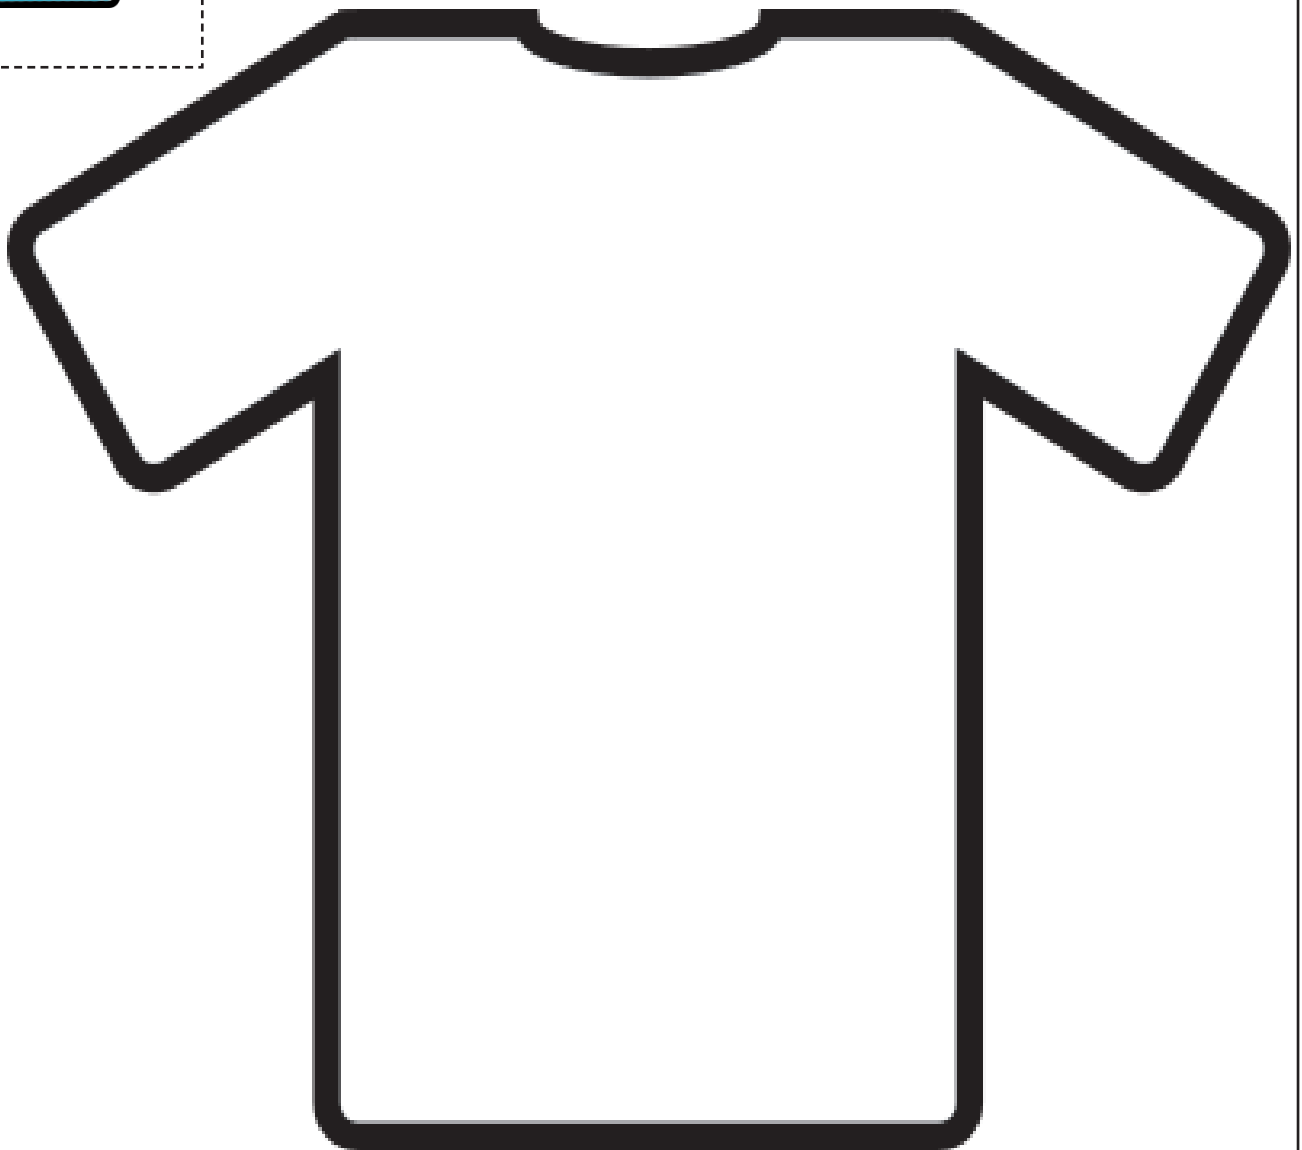

Instructions: Cheyenne wants you to go to the baseball game with her, but you must have your Student ID card. Use her ID as an example to create your own.

EXAMPLE

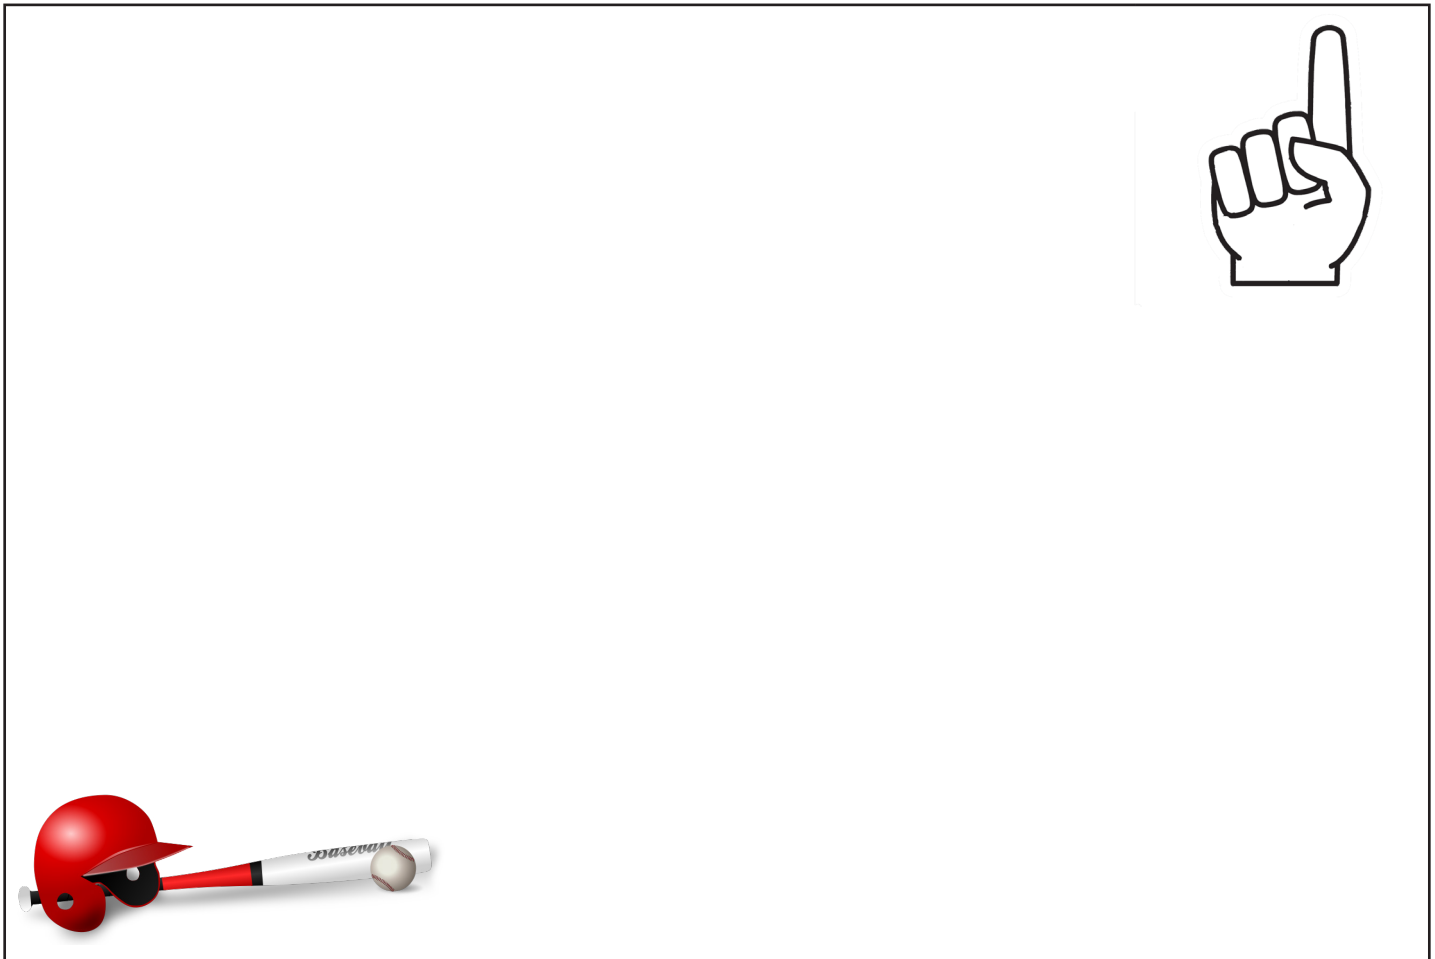

T-Shirt Design

Instructions: Spirit gear can be any clothing that has your school's logo or mascot on it. Design a unique school t-shirt to wear at the upcoming baseball game. Look at the example below for help.

Event Poster

Instructions: Today is your school's baseball game! Support the team by making a poster. Use the words below to help you complete the poster and cheer for your team.
