(Add pages as needed, so that students can make notes on all exhibits and write questions they created before fair.)

Write your Holland scores in the boxes below and make sure you visit the high score first. Each booth will have a RIASEC planet to help you locate where to go first. As you move through the career fair and talk to representatives at each exhibit, write the name of each employer you visit in one of the boxes below and ask a representative to sign or stamp it.
