

Thank you for your interest in eDynamic Learning. **Please see the login credentials below to gain full access to our course(s) for evaluation purposes.**

We offer teachers and students a digital curriculum for Career and Technical Education (CTE) and elective courses. Courses have been [carefully designed](#), are rooted in research, and employ best practices for how today's students learn. Additionally, they offer the knowledge and embedded soft skills that students need to be prepared for wherever their path may take them after high school.

Meet eDynamic Learning

eDynamic Learning is a teacher-founded company established with a mission of helping students find their passion. They are dedicated to developing programs of study in pathways that lead to industry-recognized certifications. With nearly 200 courses available on all technology platforms and devices, they are the largest CTE and elective courses publisher in North America. Watch the video, [Meet eDynamic Learning](#), to better understand what eDL offers you and your students.
